FACULTY OF LEGAL STUDIES

NATIONAL CONFERENCE ON

“REIMAGINING JUSTICE, TECHNOLOGY AND HUMAN VALUES”

March 14th, 2026

About HRIT

HRIT began its academic journey in 2005 under the aegis of the Harish Chandra Ramkali Charitable Trust by visionary technocrat Dr. Anil Aggarwal, Former Member of Parliament (Rajya Sabha). In 2024, HRIT attained university status as HRIT University and continues to transform the educational landscape of Delhi-NCR region, offering a wide range of Undergraduate, Postgraduate, and Doctoral programmes in disciplines such as Engineering, Law, Pharmacy, Management, and allied fields.

Approved by UGC, AICTE, PCI, and BCI, the University boasts a 25-acre green and eco-friendly campus equipped with air-conditioned smart classrooms, state-of-the-art laboratories, a well-stocked digital library, modern sports facilities, and separate hostels for boys and girls.

HRIT University has forged strategic academic and industry collaborations, including an exclusive partnership with IIT Ropar for B.Tech. in Artificial Intelligence and Data Science, and industry-oriented programmes with IBM. The University's dedicated Placement Cell consistently secures placements with reputed organizations such as Infosys, Wipro, HCL, Amazon, and Reliance, with recent salary packages reaching up to ₹40 LPA.

With a strong emphasis on innovation, research, mentoring, internships, and vibrant campus life, HRIT University is committed to holistic development and future-ready education, making it a preferred destination for quality higher education in North India.

About Faculty of Legal Studies

Welcome to the Faculty of Legal Studies (FOLS) at HRIT University, where tradition blends seamlessly with innovation in legal education. The Faculty offers well-structured programmes including LL.B., B.A. LL.B., LL.M., and Ph.D., designed to provide a strong grounding in legal theory alongside practical exposure.

Our experienced faculty members, modern moot court hall, and digitised law library create a stimulating academic environment. Through Moot Court exercises, Legal Aid Clinics, Seminars, Workshops, and Internships with reputed legal bodies, students develop analytical thinking, advocacy skills, and a deep sense of social responsibility.

With a strong focus on ethics, innovation, and industry-academia collaboration, the Faculty prepares graduates for diverse careers in the Judiciary, Litigation, Corporate Sector, Public Service, and Academia. We take pride in nurturing competent, ethical, and socially conscious legal professionals committed to upholding justice and contributing meaningfully to society.

About the Conference

The proposed Interdisciplinary National Conference aims to provide an academic and professional platform to deliberate on contemporary challenges at the intersection of law, technology, society, environment, and human values.

In the context of rapid advancements in Artificial Intelligence, digital governance, climate change, evolving labour relations, and growing emphasis on human rights, there is an urgent need for integrated and multidisciplinary academic discourse. The Conference seeks to encourage dialogue, research, and policy-oriented discussions addressing these emerging concerns.
